

Where you go matters

Use programs like Site of Service and save money on lower-cost independent care providers

You wouldn't pay more for a direct flight from Manchester to Orlando when you could get the same quality flight for less on another airline, right? Then why would you pay more for your health care when you don't have to? That's where Anthem's cost-saving programs can help. You can save hundreds of dollars, and sometimes even thousands, when you go to lower-cost independent providers listed on the **Find a Doctor** tool at [anthem.com](https://www.anthem.com).
